3 available colours

IP21

WATER SAFETY: IP 21

IP 21 approved to ensure safety against vertical water dripping.

Thanks to the special grille design and the shielding of the internal components the product can be used even in the bathroom.

QUICK CONTROL

3 operating speeds and thermostat in a single, user-friendly, "Click and heat" control button.

TRENDY COLORS

Contrasting details and bold colors for a unique effect, thanks to the high precision molds and the optical variation of colors.
